

One stop shop for all type of accredited calibration services.

Just Instruments Inc. is an **ISO 9001:2015** certified Canadian company that provides services in the field of process control and laboratory instruments since 2009. We offer wide range of On-site & In-house instrument calibration validation services, sales, repairs & installation.

Electrical : Voltage, Current, Resistance, Capacitance, Freq.

Temperature : -196 to 800°C

Linear : Vernier Calipers, Micrometer, Gauge blocks.

Weight : Electronic balances & Scales up to 500 kg

Level : Conductivity, Ultrasonic, Radar Vibrating fork & others.

Pressure : Gauge, Pressure, Differential, Vacuum, Hydraulic

Flow : Liquid up to 60" line size

Gas : Methane, O₂, NH₃, CO₂, CO, N₂, H₂S & others

Analytical : pH, Conductivity, Viscometer and others.

Valves : Pneumatic valves, PRV, Control valves, Safety relief valves, Manifolds & others.

173 Advance Blvd., Unit 49, Brampton L6T 4Z7, ON Canada

Cell: 647 970 7071 Phone: 1 877 525 7829 Fax: 289 632 3134

Work Profile -

1 - Calibration:

- Calibration done as per ISO 9001:2015 & Standard are accredited to ISO 17025:2005 and traceable to NIST.
- Calibration Area- Temperature, Pressure, Level, Flow, Weighing scales, Gas Analyzer & Detector, Torque Wrenches, Analytical Instruments, Electrical Instruments etc.

2 - Service & Maintenance:

All type of Mechanical, Electrical, Temperature, Flow, Gas Analyzer & Gas Detector, Pressure, Safety Valve & Level Instruments etc.

3 - Installation & Commissioning:

Pressure & Temperature Monitoring System, SMS Text message Alarm for pH & Temperature, Flow Instruments, Gas Instruments (Analyzer & Detector)

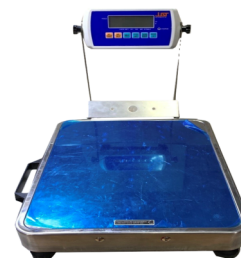

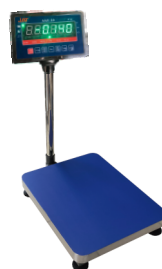

4 - Technical Support For :

Food & Beverage, Bakery, Pharma, Body Care, Cold Chain Management, Oil & Gas and other industries.

5 - Validation For :

Pharmaceutical Industries, Shipping Industries, Oil & Gas Industries, Food, Beverage & Cold Storage.

PAN	SS removeable	SS removeable	SS removeable
STANDARD FEATURES	<ul style="list-style-type: none"> • Compact and easy to use • OIML Type approved • IP68 water and dust resistant • Stainless steel housing • Removable weigh pan for easy cleaning • LCD Display • AC adapter and Battery included 		

Why you should choose Just Instruments

Reduce cost by providing right services at a critical aspect of any instruments.

Strong technical support & service capabilities

Highly responsive service standard

Certified professional for consistent services standard

Timely Delivery

All our Master instruments are calibrated by certified 17025:2005 Accredited Laboratories.

Digital Temp Controller

Temperature Recorder

Temperature Transmitter

Thermometer

Pressure Gauge

Vacuum Gauge

Pressure Recorders

Pressure Transmitter

Flow Meter

Multimeters

Clamp Meter

Airflow Meter

RTD Simulator

Torque Wrench

Data Logger

pH Sensors

Certified Weights
